QMS Support Package

The Package:

The Care System (QMS) is maintained up to date and is available both in loose-leaf manual and on-line on your own dedicated website provided for you by UKQCS.

The system is customised to your business with the on-line access providing:

A live system for managers and staff to access key documents required in the performance of their duties.

Facility to control access by selected staff to ensure documents are read and understood if necessary.

Notification of changes in key procedures or systems communicated to you and relevant staff to ensure you are always up-to-date.

All documents are customised and included in the update service ensuring that they are fully in line with legislation, best practice and regulatory body requirements. Advice and guidance is provided by sector specialists, with both online and telephone support services available. Unlike other packages, UKQCS can provide you with your own personally assigned HR advisor.

QMS includes the operational areas of:

- Administration
- Care
- Catering
- Housekeeping
- Maintenance
- Personnel

Health and Safety, training, quality assurance and risk management are embedded throughout the system and cross referenced.

Fees:

Annual Subscription - £780

(Single centre organisation. Minimum contract 12 months)

Annual Subscription - £480

(2-10 centre organisation. Minimum contract 12 months)

Larger clients subject to individual review - individual quotation.

QMS Manual £95 each

Organisational Quality Audit/Review & Action Plan 1 day visit £500.

Additional Support Package incl. on-site Support @ £400 per day.

(All Prices Subject to VAT)

Other Support:

A comprehensive professional HR support service with your own HR advisor and full Indemnity insurance cover for Tribunal cases. Our team consists of fully qualified HR professionals with senior level management experience.

Our sector experts offer organisational Quality Audit/Review and Action Plan. Which is ideal pre AQAA.

UKQCS also provide workforce development training with professional advice and guidance provided by our vocational training experts on a wide range of issues including access to government funding sources.
